V3_FINAL

Structure and Format

QTF has endeavoured to deliver a draw structure that is fair and equitable to all participants for this year's event. The guidelines used at previous QTF events inform this year's event draw as follows:

- › Teams are to play a maximum of four (4) games per day.
- › Teams are to play a minimum of three (3) games on Saturday (a bye will be classified as a round game)
- › Teams will play a minimum of four (4) games over the tournament.
- › Teams are to have a minimum of two (2) games break between games, other than Quarter Finals, Semi Finals and Finals on day 2 due to time constraints.
- › All Teams will play on the first day of competition (Saturday).
- › QTF has attempted to allow all teams to play on the last day of competition (Sunday).

- Overall Differential (for and against) – if equal, then;
- Overall Percentage – if equal, then;
- Result of Round game – if draw;
- Most Trys For – if equal;
- Most Trys Against – if equal;
